**CORAL GABLES MUSEUM  
GINGERBREAD HOUSE CONTEST  
ATTRACTS GINGERBREAD MAN TO CORAL GABLES**

It's official! The Gingerbread Man is re-locating to Coral Gables. Drawn to South Florida by our warm climate and the news of a Gingerbread House Contest, the Gingerbread Man is checking out area commercial venues and has been seen with community leaders. The Gingerbread Man was formally introduced to the Gables business at the Chamber of Commerce monthly breakfast on October 16<sup>th</sup> at the Biltmore Hotel.

He will join in the Halloween on the Mile festivities in downtown Coral Gables later today and has announced his plans to dine at Houston's with his entourage.
